PRINCIPAL'S MESSAGE

JUNE. Wow! This has been an amazing year.

I would like to take this opportunity to thank our entire school community for their interest in and support of IB-PYP at OLA. We were proud to be able to share our plans with families at our family activity night on May 22 and then introduce our students to IB-PYP through new "house" teams and activities on May 23.

I would like to send a HUGE THANK YOU to the numerous families who have already provided financial support through donations. Your generosity plays an important part in helping us continue innovating and progressing on our journey towards IB certification.

End of the Year

We have a number of exciting activities to look forward to as we approach the end of the year.

June 21 - Sports Day

June 24 - Swimming at Henderson Pool 1:00 pm -3:00 pm

June 27 - Farewell Mass at Assumption Church at 9:15 am. Everyone is welcome.

June 27 - Dismissal for summer at 12:42 pm.

Ready Set Go

Registration is now open to families that could use support for basic school supplies for the 2024/25 school year. Please see the poster below for further details.

ASSOCIATE PRINCIPAL'S MESSAGE

As we enter the last month of school, our students are facing new and different challenges: new grades, new schools, new friends, and new adventures. It is our hope that they will continue with our faith theme throughout their lives and build the kingdom of hope!

All year, we have not only learned about Catholic social justice principles but also actively put them into practice. Our students have explored the core tenets of Catholic social justice, including human dignity, solidarity, and the common good. These principles guide us to recognize the value in every person and to work together for a just and compassionate society.

Now, it's time to take these lessons beyond the classroom! We encourage families to find opportunities to serve our community together. Whether it's volunteering at a local charity, participating in a neighborhood clean-up, or simply helping a neighbor in need, every action counts. These real-world applications of our faith and learning help us live out the Gospel values.

As we move forward, let's continue to inspire each other to act justly, love tenderly, and walk humbly with God. Together, we can make a difference and show the world what it means to live out Catholic social justice.

This month's verse:

"Learn to do good; seek justice, correct oppression; bring justice to the fatherless, and please the widow's cause"
-Isaiah 1:17

THE INTERNATIONAL BACCALAUREATE: OUR OLA JOURNEY

Our IB evening and day were a huge success, and we are so grateful to all of you who came out, participated, donated, talked to your children, or engaged in any way! This is a massive undertaking for our little school, but the amount of support we have encountered, has made it a joy to undertake.

What Next?

Starting in September, our teachers will shift to an inquiry model of learning. Most of what you see at school will remain the same: students will continue to learn in their classrooms with their teachers, explore through the lens of our Catholic faith, and play and have fun! However, there are a few small changes you may note:

- An increased focus on global citizenship and our international community
- Increased emphasis on celebrating the language, culture, and heritage of **all** of our OLA families
- Increased emphasis on asking questions and learning through inquiry and exploration
- Students in all grades (1-6) will now have the opportunity to learn French
- Increased emphasis on transdisciplinary learning. This means that your children will have fewer separated subject lessons where they learn, for example, social studies in isolation, and more opportunities to make connections between subjects. This may also mean that at some points in the year, your child is focusing on some subjects and not exploring others. Please rest assured that our teachers are careful to cover all aspects of the curriculum throughout the year!

We are excited to continue this journey with you moving forward. Have a blessed summer!

TRANSPORTATION FOR 2024-25

If your child(ren) will be riding the bus next year you are required to register. Families of eligible students should have received an email asking them to complete an online Transportation Registration Form in SchoolEngage. If you didn't receive an email, please contact us to confirm your eligibility and arrange for a form to be assigned to you. Please be aware that students who register after May 31, 2024, may be delayed in accessing bus service during the 2024/2025 school year.

LIBRARY BOOKS

All library books are due back to the school by June 14, 2024. The cost of all unreturned books will be added to the student's SchoolCash Online account.

LOST AND FOUND

Please remind your child(ren) to check the lost and found box and boot rooms for lost and misplaced items before the end of the school year. All unclaimed clothing and footwear will be donated at the end of June.

JUMP ROPE FOR HEART – June 6

OLA is once again participating in the Heart and Stroke's Jump Rope for Heart Event. This event encourages kids to get active by skipping rope while they collect pledges for heart disease and stroke research. Jump Day is scheduled for the afternoon of Thursday, June 6. All students will skip with their intramural team. Please ensure your child(ren) has proper footwear and a water bottle. Students who register [online](#) and collect \$25.00 in pledges will receive a skipping rope and be entered to win some fun prizes. If we reach our goal of \$3000 students will enjoy a fun time at Gyro Park.

HENDERSON POOL - June 24

Students will be walking to Henderson Pool via Mayor Magrath Drive at 12:30pm on Monday, June 24th.

OLA has booked the pool from 1:00-3:00 pm.

Students will walk with their classes, teachers, support staff and parent supervisors. Teachers will be reaching out in the coming weeks regarding the need for parent supervisors to walk with classes and supervise at the pool. We will need both male and female supervisors to help in the changerooms as well as the pool. Due to strict adult to student ratios, younger siblings will not be able to attend. Students will leave the pool at 2:30 to arrive back at OLA by 3:00.

Permission for this field trip was included as part of the field trip form signed at the beginning of this school year.

YEAR-END MASS – June 27

We will celebrate our year-end Mass at Assumption Church on Thursday, June 27 at 9:15 am. Mass will be led by our grade 6 students. Everyone is welcome to attend.

LAST DAY – June 27

Thursday, June 27 is the last day of school for students with dismissal at **12:42 pm**.

SCHOOL COUNCIL UPDATE

Thank you to everyone who ordered pizza for our Panago Pizza Night Fundraiser! We were able to raise \$300 to go towards school activities and events, field trips, hardship fund and classroom gifts.

We hope students enjoyed the free lunch on IB day. Thank you to Selestia for organizing and making the veggie cups. Thank you to Lakeview Bakery for preparing the food. Our next school council meeting will be in September. Details to follow.

We're participating in Jump Rope for Heart

Dear Parents/Guardians,

Our school is excited to participate in Jump Rope for Heart this year! Students will discover fun ways to get active, practice healthy habits and learn about helping others while raising money to beat heart disease and stroke.

We love participating in Jump Rope for Heart because:

Students learn life-long habits:

Jump Rope for Heart is more than a fundraiser. It teaches students EASY Healthy Habits to help protect their heart and brain health – for a lifetime!

Eat fruits and vegetables

Active for 1 hour or more

Screens for 2 hours or less

Yes to water, no to sugary drinks

Students can earn Thank You Gift Cards:

As our heartfelt thank you for your support, students can earn one of five Thank You Gift Cards, plus a chance to win two great contests! Gift cards are from Toys "R" Us, Indigo, Amazon or Walmart – based on the fundraising levels. Learn more at jumpropeforheart.ca.

Jump is customizable for all abilities:

On our Jump Event Day kids can move their way by jumping, dancing, wheeling and more!

Kids feel good by doing good:

Students learn the importance of giving back as they collect donations that help fund critical research that saves lives, prevents heart disease and stroke, and supports survivors and their families. The funds collected help other kids like Julian, who suffered a pediatric stroke following his heart surgery.

Jump gives back:

Schools that raise a minimum of \$500 will receive 8% of their fundraising dollars back to put towards what we need most or we can donate it back to Heart & Stroke to make an even bigger impact.

Bl. Pier Giorgio Frassati 1901-1925 (Feast Day: July 4)

Pier Giorgio Frassati was born into a wealthy and influential Italian family in 1901, and from an early age was dedicated to the Eucharist and the Rosary—despite his parents' rejection of religion. He spoke willingly and frequently with both friend and stranger about his spiritual life, and at the age of 17 joined the Society of St. Vincent de Paul. He dedicated most of his time to serving the sick, needy, and orphaned of Turin—although he did this largely in secret. In particular, he was keen to spread the Catholic Social Teachings at the time, particularly those promoted in *Rerum Novarum*. He was handsome and a good athlete, with mountain climbing as his favourite sport, and was known as a prankster as well.

Build! Pilgrims of Hope

Shortly before he was to graduate from university, he contracted polio and died almost immediately. At his funeral, the family was surprised to see the church and streets flooded with those whom he had quietly served; and those in attendance were also surprised that he was part of this influential and wealthy family. At his beatification in 1990, Pope John Paul II called him the "Man of the Eight Beatitudes." One of his last notes to a friend prior to his death was a short one on the back of a picture of himself climbing. It says simply "Verso l'alto"—"To the Heights", which has become representative of his own striving to reach God and eternal life, and a motto for others who are doing likewise.

"Building" In Our Schools

Throughout this entire year, we have been blessed to see the ways in which your efforts have brought to life our call to Build! To date, we have raised almost \$5,000 for our Chalice project with St. Odilia School in Zambia thanks to the generosity of our staff, students, and community. Some of this was from donations that were made at the door to our recent *Build! Festival of the Arts*, which showcased the many creative talents and expressions in our schools.

Corporal Works of Mercy — Summary —

Shelter the Homeless: Our faith encourages us to reach out and encounter those without the stability of a home, affirming their human dignity, and assisting them in seeking solutions to the challenges they face....

Feed the Hungry: So many people in our communities and world do not have enough food to eat. There are many practical ways we can support those in need within our community and the world...

Bury the Dead: Through our prayers and actions, we show our respect for life, which is always a gift from God...

Give Drink to the Thirsty: If we think about the concrete action of giving drink to another, we can see in it a gracious act of hospitality, a thoughtful expression of love, and a desire to seek the good of the other...

Visit the Sick: Those who are sick are often forgotten or avoided... these individuals still have much to offer to those who take the time to visit and comfort them...

Clothe the Naked: When we search out the "naked" of our local community, we shouldn't only be looking for those without clothes...

Visit the Imprisoned: People may be imprisoned for many reasons, and without dismissing the suffering caused by those who commit crimes, all people retain their dignity as created in the image and likeness of God...

Pope's Prayer Intentions - For those fleeing their own countries

Let us pray that migrants fleeing from war or hunger, forced to undertake journeys fraught with danger and violence, may find welcome and new living opportunities in their host countries.

Catholic Social Teaching — Peace —

Through the course of this year, we have looked each month at one of the Catholic Social Teachings. The aim of Catholic Social Teaching is to shine the light of the Gospel on our contemporary world, allowing us as disciples of Christ to look at the world around us with new eyes, and to take action.

The final teaching for this year is Peace. Peace is the fruit of Charity, and the consequence of Justice – the sign of love in action. It means to be in right relationship with God, and with others. When we act in ways that align with Catholic Social Teaching, we find ourselves at peace, in our personal lives or in our work. In *Christus Vivit*, Pope Francis notes:

"When we discover that God is calling us to something, that this or that is what we were made for – whether it be nursing, carpentry, communication, engineering, teaching, art or any other kind of work – then we will be able to summon up our best capacities for sacrifice, generosity and dedication. Knowing that we don't do things just for the sake of doing them, but rather we endow them with meaning, as a response to a call that resounds in the depth of our being to offer something to others: that is what makes these occupations bring a sense of deep fulfilment."

Peace
"...the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control." - Galatians 5:22-23a

"In a world gone astray from God there is no peace, but it also lacks charity, which is true and perfect love."

(Blessed Pier Giorgio Frassati)

Gospel Readings

June 2, 2024

Solemnity of the Body and Blood of Christ

Gospel Reading: Mark 14:12-16, 22-26

"The Teacher says, 'Where is my guest room where I may eat the Passover with my disciples?'" — Mark 14:14

Jesus sent his disciples out ahead of him to prepare a place where they could eat together and celebrate the Jewish feast of Passover. That same miracle happens at every Mass—Jesus becomes present to us as our spiritual food. He gives his very body and blood to us. But, before we receive this gift, there are some preparations that need to be made. The servers prepare the altar, the bread and wine are brought forward, we pray the Eucharistic prayer together, and Jesus becomes present to us again.

There is still one more thing that needs to be prepared—our hearts! We become the guest room where Jesus will come and visit. Is everything ready? Have we taken time to speak to Our Lord and ask him to come? We want to welcome him in the best way possible.

Discuss with your family some other ways you can prepare to receive Jesus.

Prayer:

Thank you, dear Jesus, for giving us your Body and Blood. Help us to prepare well for your coming!

10th Sunday in Ordinary Time

Gospel Reading: Mark 3:20-35

"Whoever does the will of God is my brother and sister and mother." — Mark 3:35

Have you ever been recognized at a gathering not because people have ever met you, but because they know your mom or dad? Maybe people recognize you because you look like your parents or have certain mannerisms that are like theirs. Hopefully, you were doing something nice when you were recognized so your parents were not embarrassed by your behavior.

In today's Gospel, people bring Jesus' mother and some of his other relatives to him. Although these are Jesus' family members, he wants us to know that all people are part of his family if they obey his Father in heaven. When we are baptized, we become children of God. People will know we are part of the divine family if we follow the example of Jesus, our brother, who loved and obeyed his Father in heaven.

What are some ways you are like your parents? What are some ways you can be like Jesus?

Prayer:

Lord, thank you for including me as one of your family members. Help me to never disgrace your name; help me to imitate your love and obedience.

Gospel Readings

Gospel Reading: Mark 4:26-34

“To what shall we compare the kingdom of God?...It is like a mustard seed...the smallest of all the seeds on the earth.” — Mark 4:30-31

Have you ever been to Disney World or Disneyland? There are all sorts of theme rides and displays, plus spectacular fireworks. Wouldn't you think that God's kingdom would exceed any kingdom here on earth?

In our Gospel today, we read that God's kingdom is spectacular, but in a very quiet way. There are no loud sounds, unusual sights, or fast rides. Jesus compares his kingdom to a tiny seed that secretly begins to grow underground and, when the time is right, emerges and becomes a great tree that gives shade and shelter. God does not want to shock our senses; instead he wants to capture our attention with wonder and awe and challenge us to share this with others until his kingdom gives shelter to all who come looking for his love.

Make a list with your family of some things you see in nature that God created with great beauty.

Prayer:

Lord, when I really look at the world around me, I am amazed by your greatness. Help me to share your love in quiet, simple ways that will bring others to worship you with wonder and awe.

Gospel Reading: Mark 4:35-41

“Why are you terrified? Do you not yet have faith?” — Mark 4:40

If you have ever been on an airplane when turbulence bounces it around, you know how unsettling it can be. When the pilot or flight attendant comes on the loudspeaker and announces there is nothing to be concerned about—it's just a temporary change in the wind or air pressure—you sigh in relief. But it wouldn't be unusual to still be a little worried. Why is that? Well, probably it's because it's hard to place our trust in another human being, even if he or she seems very qualified.

In our Gospel today, a storm threatens to capsize the boat in which Jesus and his disciples are sailing. Jesus isn't the least bit worried. In fact, he's fast asleep! His disciples, on the other hand, are terrified. They wake Jesus and he calms the storm with just a wave of his hand. They have seen Jesus perform other miracles, but still they are amazed that he can control creation. When we are faced with frightening situations, it might be hard for us to believe that Jesus can change our predicament. This Gospel should remind us that God can do anything!

As a family, write a simple prayer that you can all pray when you are afraid.

Prayer:

Lord, please give me unwavering faith that you are God, and you will not abandon me.

Gospel Reading: Mark 5:21-43

He said to her, “Daughter, your faith has saved you. Go in peace and be cured of your affliction.” — Mark 5:34

In today's Gospel, we hear two accounts of Jesus healing. In one account, a woman was healed simply by touching Jesus' clothing. In the other account, Jesus restored the health of a child who had already died. These stories can make us wonder why Jesus doesn't heal everyone so there will be no more suffering or pain. The question remains, do we have faith, even if he doesn't answer our prayers the way we wish? Do we trust that he still loves us and accompanies us even during our darkest moments? Do we believe that by his death and resurrection, we can look forward to a time when there will be no more suffering? We may not understand God's plans for us, but we can be assured that ultimately they are for our good because “God is love” (1 John 4:8) and love conquers all evil.

Is there someone in your family or community who needs to feel the healing touch of Jesus today? Is there something you can do to be Jesus' comforting presence for them?

Prayer:

Lord, save me from my doubts. Help me remember your goodness at all times.
